

CSE 132 Lab Assignment Cover Sheet

Name: Lab Partner:

Lab Assignment: Lab Section (A-D): Date Submitted:

I have attached everything listed in the **What to Turn In** section of the lab assignment.

Statement of Collaboration (check all that apply):

I worked on this lab entirely on my own, with help only from my lab partner, the TAs, and the instructor.

I received help from the following people or sources (other than my lab partner, the TAs, or instructor).

I worked on some or all of this lab with the following CSE132 students, and I was an active participant in the collaboration.

I used another group's code for portions of this lab. (Indicate which portions by putting a box around them in what you are turning in, and writing the person's name next to the box. Note that taking credit for someone else's work is a violation of the academic integrity policy, so be careful to mark everything clearly.)

Signature required: I certify that the above Statement of Collaboration is true to the best of my knowledge.

Consent for distribution (optional):

Check this box and sign below if you are willing to have your lab solution distributed as an example for other students. Your identity may *not* be hidden.

By signing below, I agree to allow distribution of my lab solution to other students.

Extra Credit: I completed the following extra credit option(s):

Additional Notes to the Grader:

Grades (TA use only, please)

Design	Demonstration	Impl, Doc and Testing	Total Points Earned

Direct questions about written *comments* to the grader whose initials appear above. Direct questions about the *points* assigned to the CS132 Head Teaching Assistant.

Other administrative notes:
